#### SHORT CV OF THE SUPERVISOR

Geographer, Ph.D. in Geography and Territorial Planning, specialized in Territorial Development, from NOVA School of Social Sciences and Humanities (NOVA FCSH) of the Universidade NOVA de Lisboa.

Currently, I am Assistant Professor at NOVA FCSH and researcher at the Interdisciplinary Center of Social Sciences (CICS.NOVA), teaching courses as Urban Geography (B.S.), Development Theories and Policies (B.S.), Housing Policies (MSc) and Housing and Ways of Inhabiting (MSc).

I am currently the coordinator of Bachelor in Geography and Regional Planning, at NOVA FCSH and the coordinator of the scientific project Housing&Covid, funded by Fundação para a Ciência e Tecnologia. My main scientific interests include Urban Studies, with an emphasis on Housing Policies, Urban Geography, Inequality, and Geographic Data. In the last years, I have collaborated in books and book chapters (author and co-author), organized scientific events, participated in national and international scientific events, collaborated in scientific projects and published articles in scientific journals, among other non-academic occupations.

## PROJECT TITLE AND SHORT DESCRIPTION

### PORTUGUESE HOUSING POLICIES AND HOUSING MARKET

This scientific project aims to study the essential attributes of Portuguese housing policies, in the historical (20th century) and contemporary (21st century) context, and to understand how these housing policies (social housing, rental legislation, housing rehabilitation programs) impacted the Portuguese housing market, with a focus on the recent rising of the house prices and its externalities.
