SHORT CV OF THE SUPERVISOR

Gabriele De Angelis (Ph.D. Sant'Anna School of Advanced Studies, Pisa, Italy, 2003; Grundständige Promotion, Ruprecht-Karls-Universität Heidelberg, 1999) is a researcher in political theory. His research focuses on the political legitimacy of economic governance in the European Union and asylum policies in Europe. He works at the intersection between political economy and political theory, and combines empirical and normative approaches.

PROJECT TITLE AND SHORT DESCRIPTION

“Refugee Integration in Portugal” inquires into the recent evolution of the Portuguese asylum system against the background of the Common European Asylum System. It includes an assessment of CEAS prospective reforms, including the new Migration and Asylum Package (2020).

“Post-COVID EMU” is a personal project aiming at tracing the most recent evolution of institutional reforms and policy choice in the Economic and Monetary Union. It includes the architecture of the TNG EU and the perspective for risk sharing in EMU.

SCIENTIFIC AREA WHERE THE PROJECT FITS BEST*

Social Sciences and Humanities (SOC): International political theory; Political economy
