

V International Conference

NOVAhealth Chronic Disease and Infection

COVID-19: the contribution of NOVA - Lessons learned, perspectives for the future

October 14th 2022 | Universidade NOVA de Lisboa (Rectorate, Campolide Campus)

The NOVAhealth Chronic Disease and Infection group launches its 5th Conference where we will discuss the contributions that NOVA's Organic Units have made during the COVID-19 pandemic, specifically the lessons learned, and the ideas being devised for the future.
