- e) Participation or promotion of programmatic and strategic projects within the scope of the IN2PAST Associated Laboratory;
- f) Participation or promotion of programmatic and strategic projects within the scope of one of the NOVA FCSH research centers that comprise the IN2PAST Associated Laboratory.

3 - Under the terms of Regulation No. 393/2018, from 28 June, the contract will have a monthly gross income of 3,248.27 €, in accordance with level 54A of the first remuneratory position.

4 - The place of work is located at the premises of NOVA FCSH, located at Av. de Berna, 26C, 1060-061, Lisbon, at Colégio Almada Negreiros – Campolide *Campus*, 1099-032 Lisbon, and/or in other places necessary for the development the researcher's activities.

5 - Applicants may be Portuguese, foreign, or stateless, holding a PhD degree in Art History, or any other disciplinary field, as long as they have a relevant curriculum in Art History.

6 - Applications may also be admitted under the terms previewed in point j) of paragraph 2 of article 24 of ECIC, *ex vi* No. 2 of article 9 of Regulation No. 393/2018, from 28 June.

7 - The selection of the researcher will be carried out through the evaluation of his/her scientific and curricular path.

8 - The ranking system of applicants is expressed on a scale from 0 to 100 points.

9 - The assessment of the scientific and curricular career will take into account their suitability for the activities to be undertaken. It will be focused on the relevance, quality and up-to-datedness of:

a) the scientific production considered most relevant by the applicant, taking into account the characteristics of the position, and the intrinsic quality of the content will be evaluated - namely, books, articles in scientific journals, chapters in books, communications at conferences, and organization of national or international scientific meetings (0-55 points);

b) research activities carried out and considered to have the greatest impact by the applicant - namely, the quality and quantity of scientific projects in which he/she participated, funded on a competitive basis by public funds, through national or international agencies (0-30 points);

c) dissemination activities, namely in the context of the promotion of culture and scientific practices, considered of greater relevance by the applicant (0-10 points);

d) participation in management roles (0- 5 points).

10 – Applicants who do not obtain a final classification equal to or greater than 70 points will not be admitted to the competition, due to lack of absolute merit.

11 - The selection board has the following composition:

President:

Doctor Luís Baptista, Dean of the School of Social Sciences and Humanities at NOVA University Lisbon, in the use of delegated competence.

Members:

Doctor António José Estevão Grande Candeias, Full Professor, University of Évora
