

Academic Unit	Name of local or global Health Institution	Country	Description	Contact person	Starting date	End date	Website
IHMT	Casa da América Latina /Fundação MillenniumBCP	Multilateral Agencies	Collaboration in the field of health and research with the countries of Latin America, supporting the movement of researchers to IHMT	Executive director	2017		
IHMT	COLUFRAS - Conferência luso-francófona da saúde	Multilateral Agencies	Encourage the development of exchanges and cooperation between the countries of French and Portuguese speaking countries, with the aim of improving health systems, the quality of services and access to services provided to the population	Network Coordinator - IHMT	2012		
IHMT	IANPHI - Public Health Institutes of the World	Multilateral Agencies	Strengthening of the National Institutes of Public Health	Network Coordinator - FIOCRUZ	2012		
IHMT	Rede de Escolas Técnicas de Saúde da CPLP (RETS)	Multilateral Agencies	Training and Development of the Health Workforce	Network Coordinator - FIOCRUZ	2009		
IHMT	Rede de Institutos de Saúde Pública CPLP (RINSP)	Multilateral Agencies	Promote the strengthening of responses and strategic solutions for Public Health Systems in its member states	Network Coordinator - FIOCRUZ	2009		
IHMT	Secretariado executivo da CPLP	Multilateral Agencies	IHMT NOVA is an advisory entity for the Health area	Executive Secretary	2009		
IHMT	WHO - Afro	Multilateral Agencies	Training of doctors in various specialties, namely in the area of Public Health	Regional Director	2018		
IHMT	Centro de Estudos Avançados em Educação e Formação Médica - CEDUMED - Universidade Agostinho Neto - UAN	Angola	Interventions in the field of professional development and postgraduate training of doctors and other health professionals; the promotion and development of scientific research; the conduct of studies and research and the organization of meetings, aiming at the better performance of human resources services and institutions	Director	2018	2022	
IHMT	Faculdade de Medicina, Universidade Katavala Bwila - FMUKB	Angola	Joint development of academic, technical and scientific activities	Pro-Rector	2018	2021	(renewable)
IHMT	Instituto Nacional de Saúde Pública - INSP	Angola	Promotion of scientific, technological and cultural cooperation between the two institutions, in the areas of their specializations, as well as in the development of scientific and technological works	Director	2014	2019	(renewable)
IHMT	Ordem dos Médicos	Angola	Implementation of postgraduate training actions aimed at Angolan doctors, aiming at their qualification and their best professional performance	Bastonário	(2014-2017)	Under negotiation	
IHMT	Universidade José Eduardo dos Santos	Angola			2019	2023	
IHMT	Universidade Privada de Angola	Angola			2019	2023	
IHMT	Instituto Evandro Chagas	Brazil	Promote technical-scientific cooperation between the two institutions	Director	2010		
IHMT	Conselho Nacional de Secretários de Saúde - CONASS	Brazil	Cooperation in the fields of research, teaching, knowledge production especially linked to the management and organization of health systems and services	Director	2012		
IHMT	Fundação de Medicina Tropical Doutor Heitor Vieira Dourado - FMT/HVD	Brazil	Establish an institutional legal framework between the two institutions to support the development of health education and research	Director	2016	2021	
IHMT	Fundação Oswaldo Cruz - FioCruz	Brazil	Collaborations in the areas of training and research	Director	2015	2020	(automatically renewed)
IHMT	Fundação Universidade de Brasília	Brazil	Promote the exchange of professors / researchers, graduate students, undergraduate students and members of the technical-administrative team of the respective institutions	Rector Team	2016	2021	
IHMT	Instituto Nacional de Pesquisas da Amazônia - INPA	Brazil	Develop academic cooperation and promote researchers exchange	Director	2012	2022	
IHMT	Universidade de Fortaleza	Brazil	Develop cooperation, promote the exchange of students, teachers and researchers, the implementation of joint research projects and scientific and cultural events	Rector Team	2016	2021	
IHMT	Departamento de Ciências e Tecnologia - Universidade de Cabo Verde - UNICV	Cape Verde	To determine the prevalence, epidemiological profile and genetic characterization of intestinal parasites in a population of Salina-Pedra, Santiago Island, Cape Verde	Director	2015	2019	(renewable)
IHMT	Instituto Nacional de Saude Pública - INSPCV	Cape Verde	Promotion of scientific, technological and cultural cooperation between the two institutions, in the areas of their specializations, as well as in the development of joint scientific and technological works with common advantages	Director	2018	2023	
IHMT	Região de Santiago Norte - Câmara Municipal de Santa Catarina	Cape Verde	Promotion of cooperation, with a view to technical cooperation, enhancing synergies and competences in the defined areas	Administrator	2016	2021	
IHMT	Universidade de Cabo Verde - UNICV	Cape Verde	Establish and develop cooperation actions, in Cape Verde and Portugal, with the objective of contributing to Health Education in Cape Verde and in the interested Portuguese-speaking countries and for the development of Research activities in the areas of Global Health and Tropical Medicine	Rector Team	2017	2021	(automatically renewed)
IHMT	Centro de Ingeniería Genética Y Biotecnología	Cuba	Development of collaborative research projects		2018	2022	
IHMT	Instituto de Seguridad Social (Malabu - Delegação Nacional)	Equatorial Guinea	Establish and jointly develop Cooperation for Development actions, with the objective of contributing to the training of Equatorial Guinea staff, and to the development of health research activities	Director	2017	2020	
IHMT	Instituto Nacional de Saúde Pública - INASA	Guinea Bissau	Promote scientific, technological and cultural cooperation between the two institutions, in the areas of their specializations, as well as in the development of scientific and technological works	Director	2015	2020	(renewable)
IHMT	Ministério de Saúde Pública - MINSAP	Guinea Bissau	Support for the development of Human Resources development plans with a focus on training the various professional groups		2009		
IHMT	Ordem dos Médicos	Guinea Bissau	Cooperation in the field of medical education	Bastonário	2015-2018	Under negotiation	
IHMT	Centro de Biotecnologia - Universidade Eduardo Mondlane - UEM	Mozambique	Promote the training of human resources, scientific, technological and cultural cooperation between the two institutions, in the areas of their specializations, as well as in the development of joint scientific and technological works with common advantages	Director	2015	2020	
IHMT	Comité Nacional de Bioética para a Saúde de Moçambique	Mozambique	Development of collaborative research projects		2018	2021	
IHMT	Faculdade de Ciências da Saúde - Universidade Lurio - UNILURIO	Mozambique	Develop cooperative actions with the objective of contributing to Health Education in Mozambique and in the interested Portuguese-speaking countries, and for the development of research activities in the areas of Global Health and Tropical Medicine, namely within the scope of the Master's in Medicine and Health International	Director	2015	2020	
IHMT	Faculdade de Medicina - Universidade Eduardo Mondlane - UEM	Mozambique	Develop cooperation actions, especially in the context of graduate and postgraduate training and research in Health and related areas related to Bioscience and Public Health	Director	2015	2020	
IHMT	Instituto Nacional de Saúde - MISAU	Mozambique	Bilateral and multilateral collaboration in the area of training and research, within the scope of RINSP CPLP	Director			
IHMT	Ordem dos Médicos	Mozambique	Cooperation in the field of medical education with a view to developing synergies and optimizing interventions within the framework of the respective missions and objectives	Bastonário	2019	2022	
IHMT	Administração central de Saúde de Lisboa e Vale do Tejo - ARS LVT	Portugal	Its object is the areas of Public Health and cooperation, within the scope of regional health plans and human resources	Director	2010		
IHMT	Agrupamento de Centros de Saúde - ACES	Portugal	Develop health activities	Director (ACES)	2018		
IHMT	Associação Positivo - Grupos de Apoio e auto-ajuda	Portugal	Develop cooperation activities in the field of health	Director	2014		
IHMT	Associação Protetora dos Diabéticos de Portugal - APDP	Portugal	Establishment of the coordination and joint teaching organization, within the scope of the Postgraduate Course in Diabetes	Director	2012		
IHMT	FARM-ID - Associação da Faculdade de Farmácia para a Investigação e Desenvolvimento	Portugal	Development of collaborative research projects		2018	2021	
IHMT	Instituto Nacional de Saúde Dr. Ricardo Jorge - INSA	Portugal	Development of collaborative research projects		2018	2021	
IHMT	Liga Portuguesa Contra a Sida	Portugal	Develop cooperation activities in the field of health	Director	2012		

Academic Unit	Name of local or global Health Institution	Country	Description	Contact person	Starting date	End date	Website
IHMT	Santa Casa da Misericórdia de Lisboa	Portugal	Establish a partnership aimed at supporting the development of projects in order to share and enhance scientific knowledge in the health area	Provedor	2010		
IHMT	Serviços Sociais da Camara Municipal de Lisboa	Portugal	Collaborate with CML Social Services in the context of the health of its users	Vereador	2008		
IHMT	Ministério da Saúde	São Tomé e Príncipe	Support for the development of human resources development plans with a focus on training the various professional groups	Rector Team	2011		
IHMT	Drugs for Neglected Diseases Initiative (DNDi)	Suíça	Development of collaborative research projects		2018	2021	
IHMT	Instituto Superior Cristal de Díli	Timor Leste	Develop cooperation actions, within the scope of graduate and postgraduate training and research in Health and related areas, related to Bioscience and Public Health	Director	2017	2022	
IHMT	Ministério da Saúde	Timor Leste	Support for the development of human resources development plans with a focus on training the various professional groups	Rector Team	2016		
ITQB	FFC/FC/UL - Fundação da Faculdade de Ciências da Universidade de Lisboa	Portugal	Nonsense-mediated mRNA decay in genetic diseases and cancer: key players, mechanisms, and a novel approach for suppression therapy. Project funded by FCT.	Luisa Loison (FC)	01/05/2016		
ITQB	Cruz Vermelha Portuguesa	Portugal	Molybdenum nanoparticle coating to reduce MRSA contamination of public and healthcare environments. Project funded by FCT.	Marta Aires de Sousa (CVP)	01/07/2016		
ITQB	Instituto Politécnico de Setúbal	Portugal	Molybdenum nanoparticle coating to reduce MRSA contamination of public and healthcare environments. Project funded by FCT.	Marta Aires de Sousa (CVP)	02/07/2016		
ITQB	NOVA.ID.FCT - Associação para a Inovação e Desenvolvimento da FCT	Portugal	Molybdenum nanoparticle coating to reduce MRSA contamination of public and healthcare environments. Project funded by FCT.	Marta Aires de Sousa (CVP)	03/07/2016		
ITQB	FARM-ID - Associação da Faculdade de Farmácia para a Investigação e Desenvolvimento	Portugal	Small-molecule inhibitors of human proteasome: a step forward in anticancer drug discovery. Project funded by FCT.	Rita Guedes (FARM-ID)	01/07/2016		
ITQB	Centro de Neurociências e Biologia Celular	Portugal	Small-molecule inhibitors of human proteasome: a step forward in anticancer drug discovery. Project funded by FCT.	Rita Guedes (FARM-ID)	02/07/2016		
ITQB	Instituto De Biologia Experimental e Tecnológica	Portugal	Structure and Function of a Dodecameric Molecular Machine: the human RuvB1/RuvB2 Complex and its Role in Disease	Tiago Bandeiras (IBET)	01/06/2016		
ITQB	PRÓ-INSA, Associação para a Promoção da Investigação em Saúde	Portugal	Find targets for Clostridium difficile infection control. Project funded by FCT.	Mónica Serrano (ITQB)	01/10/2018		
ITQB	Faculdade de Medicina Veterinária	Portugal	Identification of the missing links in antibiotic resistance dissemination in the food production chain - from farm-to-fork. Project funded by FCT.	Maria Miragaia (ITQB)	01/10/2018		
ITQB	Instituto Calouste Gulbenkian	Portugal	Deciphering the mechanisms of interspecies bacterial communication towards the manipulation of the mammalian gut microbiota. Project funded by FCT.	Rita Ventura (ITQB)	01/10/2018		
ITQB	Faculdade de Ciência ID - Associação para a Investigação e Desenvolvimento de Ciências	Portugal	STOPneumo - Targeted approaches to contain pneumococcal disease. Project funded by FCT.	Raquel Sá Leão (ITQB)	01/10/2018		
ITQB	NOVA ID FCT - Associação para a Inovação e Desenvolvimento	Portugal	Molecular and cell biology of imipenem resistance in the human enteric pathogen Clostridium difficile. Project funded by FCT.	Adriano O. Henriques (ITQB)	01/10/2018		
ITQB	PRÓ-INSA, Associação para a Promoção da Investigação em Saúde	Portugal	Molecular and cell biology of imipenem resistance in the human enteric pathogen Clostridium difficile. Project funded by FCT.	Adriano O. Henriques (ITQB)	01/10/2018		
ITQB	Instituto Calouste Gulbenkian	Portugal	Identification of novel quorum sensing signals in the mammalian gut microbiota. Project funded by FCT.	Rita Ventura (ITQB)	01/10/2018		
ITQB	Instituto Calouste Gulbenkian	Portugal	Organismal role of the ER membrane complex: a conserved machinery required for membrane protein biogenesis. Project funded by La Caixa.	Pedro Domingos (ITQB)	01/11/2018		
ITQB	IMM - Instituto de Medicina Molecular	Portugal	Mechanistic and optogenetic control of astroglia for neural repair. Project funded by FCT.	Federico Herrera (ITQB)	01/10/2018		
ITQB	Universidade do Minho	Portugal	Mechanistic and optogenetic control of astroglia for neural repair. Project funded by FCT.	Federico Herrera (ITQB)	01/10/2018		
ITQB	NOVA.ID.FCT - Associação para a Inovação e Desenvolvimento da FCT	Portugal	StaphOUT - Fighting Staphylococcus aureus - Peptidoglycan amidation as a new target . Project funded by FCT.	Rita Sobral (NOVA ID)	01/10/2018		
ITQB	FARM-ID - Associação da Faculdade de Farmácia para a Investigação e Desenvolvimento	Portugal	Doçuras ou travessuras? Glico-conjugados organometálicos de ruténio(II) como agentes anticancerígenos selectivos. Project funded by FCT.	Pedro Florindo (FARM ID)	01/10/2018		
ITQB	Egas Moniz - Cooperação de Ensino superior (CESEM)	Portugal	DNA repair - from bacteria to man: Insights into structural and mechanistic features of Base Excision Repair (BER) initiation	Elin Moe (ITQB)	01/01/2016		
ITQB	The University of Nottingham	UK	Understanding the clostridium spore, a prerequisite for disease interventions and exploitation (Clospore). Project funded by the European Commission.	Adriano Henriques (ITQB)	01/01/2015		
ITQB	Nizo Food Research BV	Netherlands	Understanding the clostridium spore, a prerequisite for disease interventions and exploitation (Clospore). Project funded by the European Commission.	Adriano Henriques (ITQB)	01/01/2015		
ITQB	Institut Pasteur	France	Understanding the clostridium spore, a prerequisite for disease interventions and exploitation (Clospore). Project funded by the European Commission.	Adriano Henriques (ITQB)	01/01/2015		
ITQB	Helsingin Yliopisto	Finland	Understanding the clostridium spore, a prerequisite for disease interventions and exploitation (Clospore). Project funded by the European Commission.	Adriano Henriques (ITQB)	01/01/2015		
ITQB	Stichting dienst Landbouwkundig Onderzoek	Netherlands	Understanding the clostridium spore, a prerequisite for disease interventions and exploitation (Clospore). Project funded by the European Commission.	Adriano Henriques (ITQB)	01/01/2015		
ITQB	Purac Biochem BV	Netherlands	Understanding the clostridium spore, a prerequisite for disease interventions and exploitation (Clospore). Project funded by the European Commission.	Adriano Henriques (ITQB)	01/01/2015		
ITQB	Green Biologics Ltd.	UK	Understanding the clostridium spore, a prerequisite for disease interventions and exploitation (Clospore). Project funded by the European Commission.	Adriano Henriques (ITQB)	01/01/2015		
ITQB	Pfizer	Several	Div. Project funded by PFIZER.	Raquel Sá Leão (ITQB)			
ITQB	GLSMED Learning Health S.A.	Portugal	Plataforma Ómica para Prevenção e Controlo de Infecções e de Resistência aos Antimicrobianos (ONEIDA). Project funded by POR Lisboa and FCT (ONEIDA).	Raquel Sá Leão (ITQB)	01/01/2017		
ITQB	Centro Hospitalar Lisboa Central	Portugal	Plataforma Ómica para Prevenção e Controlo de Infecções e de Resistência aos Antimicrobianos (ONEIDA). Project funded by POR Lisboa and FCT (ONEIDA).	Raquel Sá Leão (ITQB)	02/01/2017		
ITQB	Centro Hospitalar Lisboa Ocidental	Portugal	Plataforma Ómica para Prevenção e Controlo de Infecções e de Resistência aos Antimicrobianos (ONEIDA). Project funded by POR Lisboa and FCT (ONEIDA).	Raquel Sá Leão (ITQB)	03/01/2017		
ITQB	Centro Hospitalar Lisboa Norte	Portugal	Plataforma Ómica para Prevenção e Controlo de Infecções e de Resistência aos Antimicrobianos (ONEIDA). Project funded by POR Lisboa and FCT (ONEIDA).	Raquel Sá Leão (ITQB)	04/01/2017		
ITQB	Hospital Beatriz Ângelo	Portugal	Plataforma Ómica para Prevenção e Controlo de Infecções e de Resistência aos Antimicrobianos (ONEIDA). Project funded by POR Lisboa and FCT (ONEIDA).	Raquel Sá Leão (ITQB)	05/01/2017		
ITQB	Hospital do SAMS	Portugal	Plataforma Ómica para Prevenção e Controlo de Infecções e de Resistência aos Antimicrobianos (ONEIDA). Project funded by POR Lisboa and FCT (ONEIDA).	Raquel Sá Leão (ITQB)	06/01/2017		
ITQB	Universidade do Minho	Portugal	Implementation of The Discoveries Centre for Regenerative and Precision Medicine, a new Centre of Excellence in Portugal - THE DISCOVERIES CTR. Project funded by H2020	Paula Alves (ITQB)	01/07/2018		
ITQB	UNIVERSITY COLLEGE LONDON	UK	Implementation of The Discoveries Centre for Regenerative and Precision Medicine, a new Centre of Excellence in Portugal - THE DISCOVERIES CTR. Project funded by H2021	Paula Alves (ITQB)	01/07/2018

ITQB	Helsingin Yliopisto	Finland	Imaging life from Molecules to cells - building knowledge on Cryo-electron microscopy methodologies. Project funded by H2020.	Pedro Matias (ITQB)	01/09/2019		
ITQB	Weizmann Institute of Science Limited Liability Public Benefit Company	Israel	Imaging life from Molecules to cells - building knowledge on Cryo-electron microscopy methodologies. Project funded by H2020.	Pedro Matias (ITQB)	01/09/2019		
SBE	Bumrungrad International Hospital	Thailand	Training on Innovation and Servant Leadership in the Health Sector	Milton de Sousa	Jan-20	Feb-20	https://www.bumrungrad.com/
SBE	Exponential Ageing: Transformar insights exponenciais em Impacto	Portugal	Criação de uma agenda de discussão de Ageing, com o apoio da Ageas Portugal no primeiro ano, em que todos os tópicos (Economicos, Sociais) do Sector Privado e Publico, à volta de Ageing são discutidos, por stakeholders do ecossistema. Definição de um Charter a ser subscrito por todos os participantes corporate	Marcos Osorio (Executive Director) or Carla Silva (Operations Director)	May-21	May-21	https://suportugal.org/
SBE	ADDP - Associação Protectora dos Diabéticos de Portugal	Portugal	Diabetic Nephropathy is a critical condition that can lead to irreversible damage to the kidneys. Chronic Kidney Disease describes the gradual loss of kidney function that greatly diminishes the quality of life of those suffering from it, as well as reduces life expectancy. Early signs of diabetic neuropathy are critical to prevent or slow down disease progression. DSKC's project with ADPP aims to predict the probability of disease onset in twelve months to allow medical teams to proactively act and avoid progression.	Lénia Mestrinho (Nova SBE Data Science Knowledge Center)	Sep-19	Sep-20	
SBE	APOIAR - Associação Portuguesa de Apoio a África	Portugal / Mozambique	On December 19, Nova SBE held a Christmas lunch for its employees. Each department was challenged to collaborate to fill a baby box of APOIAR - Associação Portuguesa de Apoio a África, with essential products for babies and young children from Mozambique. In total, we delivered 21 boxes.	Impact Experience and HR	Dec-19		
SBE	Ajuda de Mãe	Portugal	Ajuda de Mãe works with pregnant mothers in need and delivers support to them right after the birth of their children. NUC provided recommendations regarding the portfolio of services under their "Maes à Obra Program" as well as possible solutions to help AdM's main problems such as earlier identification of mothers in need, better approach strategies, lack of reach, among others.	Nova Junior Consulting Social Leapfrog Program	19/20		
SBE	Fundação Alma Lusa	Portugal / São Tomé e Príncipe	Development of a detailed financial plan for a Hospital Ship for Fundação Alma Lusa. The main goal is to help children grow under good physical and medical conditions, as well as provide vaccination and accommodation when necessary. The ship will lay in São Tomé e Príncipe and other PALOP countries.	Nova Junior Consulting Impact Experience	19/20		
SBE	Centro de Medicina de Reabilitação de Alcoitão	Portugal	For Centro de Medicina de Reabilitação de Alcoitão, a medical organization focused on improving the well-being and health of patients, NOMA developed a communication plan to create a bigger awareness on the cities around the Center.	NOMA Marketing Consulting Impact Experience	19/20		
SBE	Institute of Public Policy	Portugal	Análise ao comportamento da dívida não financeira dos hospitais EPE. It was produced in partnership with Institute of Public Policy.	Nova Economics Club	19/20		
SBE	Oikos Lisbon	Portugal	Webinar on the relation between covid-19 (and future viruses) and the environment. The guest speaker was the President of ZERO	oikos Lisbon	29-Apr-20		
SBE	Associação Quinta Essência	Portugal	NOMA developed a project for Associação Quinta Essência, an organization focused on improving the well-being of mentally disabled people, for which the team developed a communication plan in order for them to better reach their target and so increase the donations that are fundamental for the Organization	NOMA Marketing Consulting Impact Experience	19/20		
SBE	Additions Meeting (Encontro Adições) - online event	Portugal	On May 15, this event aimed to bring the issues of addictions with/without substance and mental health was brought to the debate. It counted on the presence of the most outstanding specialists (national and international) in these matters. One hundred seventy people participated.	NOMA Social Leapfrog Program	19/20		
SBE	Alzheimer Portugal Association	Portugal	Master Thesis – What Strategies for the Future of Alzheimer Portugal Association? Catalyzing on Key Resources for Long-term Sustainability, advised by Miguel Alves Martins and Afonso Almeida e Costa	Social Leapfrog Program	19/20		
SBE	Fundação A Barragem	Portugal	CEMS Business Project – Developing a Business Plan for a Luxury Addiction Treatment Centre as a way to fund A Barragem's social mission, advised by Miguel Pita and Joana Castro e Costa	Social Leapfrog Program	19/20		
SBE	Cercica	Portugal	Cercica aims at improving the lives of children and young people with intellectual disabilities. NSC was responsible for benchmarking European associations similar to Cercica business model to make recommendations on how to improve our client's model.	Nova Social Consulting Social Leapfrog Program	19/20		
SBE	Associação Mais Proximidade Melhor Vida	Portugal	AMPMV aims to support the elderly, increasing their quality of life and avoiding the need to send them to nursing homes. Currently operating in downtown Lisbon, its activities range from providing medical appointments to visiting the elderly, integrating them into the community and increase their physical and emotional wellbeing. With the support of Fundação Manuel Violante, NCS developed an expansion (replication) plan for AMPMV.	Nova Social Consulting Fundação Manuel Violante	19/20		

Academic Unit	Name of local or global Health Institution	Country	Description	Contact person	Starting date	End date	Website
SBE	Associação Alzheimer Portugal	Portugal	Associação Alzheimer Portugal had some structural issues. The scope of the project was to develop recommendations with regards to better Governance & Reporting and a more efficient Organizational Structure and put a focus on the pricing of services within the 27 support offices	Nova Social Consulting Social Leapfrog Program	19/20		
SBE	Surf Social Wave program	Portugal	The Surf Social Wave Association's project aims to promote the development of skills for people over 18 years of age who are unemployed or looking for their first job. The program includes weekly surf, meditation, and yoga classes; individual coaching, group coaching, and training sessions in the following areas: • Economics, Accounting and Finance • Communication and Marketing • Active job search • Management and Planning • Entrepreneurship For these training areas, several faculty and staff members, from Nova SBE, volunteer by sharing their knowledge and expertise. In the four editions of 2019/2020, 13 members of our Community were guest speakers in the training sessions. Students and other staff members who wanted to attend were also more than welcomed to attend the sessions.	Impact Experience	19/20		
SBE	CHUSJ - Centro Hospitalar Universitário de São João	Portugal	Cooperation agreement for research - Obesity, Heart failure. Participation of 1+ clinicians in the project HIV 360 as co-author(s), member(s) of the steering group, and/or implementer(s)	João Marques Gomes	21/05/2020		
SBE	Abrço	Portugal	Participation of 1+ clinicians in the project HIV 360 as co-author(s), member(s) of the steering group, and/or implementer(s)	João Marques Gomes	01/09/2020		
SBE	AJPAS - Associação de Intervenção Comunitária, Desenvolvimento Social e Saúde	Portugal	Participation of 1+ clinicians in the project HIV 360 as co-author(s), member(s) of the steering group, and/or implementer(s)	João Marques Gomes	01/09/2020		
SBE	APECS - Associação Portuguesa para o Estudo Clínica da SIDA	Portugal	Participation of 1+ clinicians in the project HIV 360 as co-author(s), member(s) of the steering group, and/or implementer(s)	João Marques Gomes	01/09/2020		
SBE	Associação Portuguesa de Cuidados Paliativos	Portugal	Participation of 1+ clinicians in the project HIV 360 as co-author(s), member(s) of the steering group, and/or implementer(s)	João Marques Gomes	01/09/2020		
SBE	ASST Santi Paolo e Carlo	Italy	Participation of 1+ clinicians in the project HIV 360 as co-author(s), member(s) of the steering group, and/or implementer(s)	João Marques Gomes	01/09/2020		
SBE	British HIV Association, Barts NHS Trust London, Queen Mary University of London	UK	Participation of 1+ clinicians in the project HIV 360 as co-author(s), member(s) of the steering group, and/or implementer(s)	João Marques Gomes	01/09/2020
